Skin Repair & Protection Products**

Your Skin's Health

Our skin is our largest and most visible organ, yet it is often neglected. As we age – so too does our skin. Age spots, blemishes, dry, scaly skin and fine lines become more common, affecting our confidence and our health. If left untreated, the rough, dry sun damaged skin can turn into a skin cancer. Once a skin cancer is removed, there is a greater risk of recurrence in the surrounding area.

The good news is that, by working with your doctor and **allmedic**, you can assist in repairing and protecting your skin from ageing and environmental damage.

allmedic & Your Doctor

allmedic is a scientifically developed system that specifically cares for and protects your skin from solar damage and ageing. Created by Australian Doctors who specialise and practice in the areas of skin cancer, medical skin repair, cosmetology, molecular immunology and skin allergies, **allmedic** is designed for Australian skin of any age. Ask your Doctor and clinic staff for the repair and protection products and services best for your skin.

Invest in Your Skin

allmedic is a simple, effective and affordable clinical grade skin care program that repairs and protects your skin from ageing and the effects of sun damage. **allmedic** products are free of dyes, problematic allergens, marketing hype and are suitable for your face and body.

allmedic Products - specialised skin products that feature the latest in skin science to repair and protect sun damaged and aged skin. **allmedic** products are only available under the supervision of your doctor. They can be used as either a general skin repair and protection regime or in conjunction with medical procedures such as photodynamic therapy, IPL laser treatments, medical microdermabrasion and skin peels.

Face & Body Cleansers

A scientifically formulated pH balanced foaming gel or bar that is suitable for all skin types including dry and sensitive skin. Use twice daily all over the face and body to remove make-up, dirt and oil. This product can be used for shaving purposes or shampoo substitute.

Face/Body Cleanser 250ml RRP \$40.00
Non Soap Bar 125g RRP \$13.95

Exfoliating Scrub

A pH balanced foaming scrub with micro beads to gently remove old, flaky skin cells allowing new, healthy cells to surface. Use twice weekly on face and body or as directed by your clinic advisor.

Exfoliating Scrub 200ml RRP \$46.00

Face Repair

A facial cream high in alpha hydroxy acids (AHAs) to target dry, aged or sun damaged skin. Repairs skin by gently removing dead skin cells and simulating the growth of healthy new cells. Evens skin tone and smooths fine lines and blemishes. Recommended for use in a general skin repair regime or prior to Photodynamic Therapy or other medical skin repair procedures. Before using, skin patch test as directed then apply once to twice daily.

Face Repair Cream 50g RRP \$49.00

Body Repair

Contains a higher concentration of alpha hydroxy acids (AHAs) than Face Repair. Before using, skin patch test as directed then apply once to twice daily.

Body Repair Cream 200ml RRP \$60.00

Face & Body SPF 30+ Sunscreen

Suitable for normal to sensitive skin types and can be worn under makeup. Apply twice daily and re-apply after swimming and excessive perspiration. Daily use of sunscreen may assist in the prevention of some skin cancers and premature aging.

SPF 30+ Sunscreen 200ml RRP \$48.00
AUST L: 173228

Eye Repair Cream

A revolutionary cream containing patented marine enzymes to repair and firm delicate skin around the eyes. Pat gently around the eye area twice daily.

Eye Repair Cream 15g RRP \$70.00

Skin Rejuvenator

Is an effective mechanical exfoliator that removes dead, flaky skin instantly, it is easy to use, painless and affordable. Suitable for use all over the body. Use twice weekly for 2 weeks and weekly as directed.

Skin Rejuvenator RRP \$20.00
